HAVE YOU BEEN SICK?

Then you realize the utter weakness that robs ambition, destroys appetite, and makes work a burden.

To restore that strength and stamina that is so essential, nothing has ever equalled or compared with Scott's Emulsion, because its strength-sustaining nourishment invigorates the blood to distribute energy throughout the body while its tonic value sharpens the appetite and restores health in a natural, permanent way.

If you are run down, tired, nervous, overworked or lack strength, get Scott's Emulsion to-day. It is free from alcohol.

Scott & Bowne, Bloomfield, N. J.

Unconscious versification.

Among examples of unconscious versification the one cited below should be noted as being probably the best on record. Many imaginative writers become lyrical, inspired by the beauty of their subject or by the mere harmony of words reacting on their imagination, but the following lines, which might be a stanza from "In Memoriam," are from a solemnly prosaic textbook on the "Parallelism of Forces," by I. fancy, Sir David Brewster:

And hence no force, however great,

Can draw a cord, however fine,

Into a horizontal line

Which shall be absolutely straight.

—London Chronicle.

First Justice to Wear Gown.

"Few people, I venture to say, even in high official positions, know what justice first wore the gown in the supreme court of the United States," said an authority on the subject recently. "When Justice John Jay took the office he thought the members of the supreme bench should wear gowns of some sort. Accordingly, he appeared in his own academic gown, which he wore by virtue of having received a degree from the University of Dublin or, as it was then known, Trinity college. It was a tricolored gown too. Such a garment would look peculiar now, since the black gown has been adopted."
